# PROPHECY AT GROUND ZERO

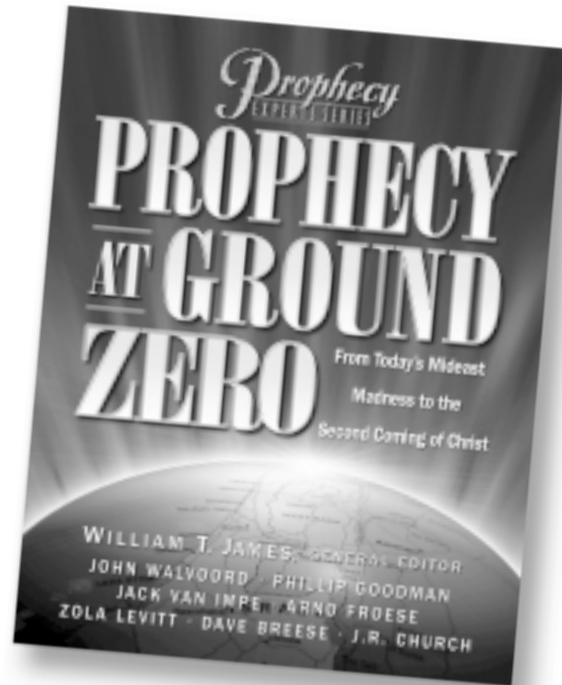

*From Today's Middle East Madness to the Second Coming of Christ*  
*Dedicated to Dave Breese*

Before his homegoing, Dave contributed a chapter titled, "A World Lost in Space" for this book. It was to be his last chapter contribution.

Today's conflict will instantly become the great adventure for us Christians.

Planet earth sits in the crosshairs of prophetic destiny, and the Middle East is Ground Zero. Technological advances and political events are building toward a climax. Be prepared for the future with the first book in a new **user-friendly** series:

- Understand the Rapture,
- Contemplate the last generation,
- Identify signs of the Second Coming,
- Learn the stages of the Battle of Armageddon.

Some of the world's foremost prophecy scholars, speakers, writers and broadcasters present powerful insights into the terrorism assaulting this generation.
