REVIVAL'S GOLDEN KEY

Official Training Manual For End-Time Believers
by Ray Comfort with Kirk Cameron

Although prayer is without question a great key to revival, this 236-page *book* is not about prayer. It's about a key that much of the Church doesn't even know exists. It was lost around the turn of the twentieth century (keys have a way of getting lost). All who truly yearn for revival and have a burden for the lost must rediscover this God-given key. This softcover *book* tells you how to do that.

10 Keys to His Identity
